Notice to User Groups - Fleury Park Reconstruction

Please take note that Fleury Park will be under construction for the 2026 construction season per the attached graphic. During construction, the Soccer Field, Tennis Courts and Baseball Diamond will remain open. The main north-south walkway on the east side of the park will remain open and accessible for park users to access the fields and tennis courts. The washroom building will remain open per usual summer season hours.

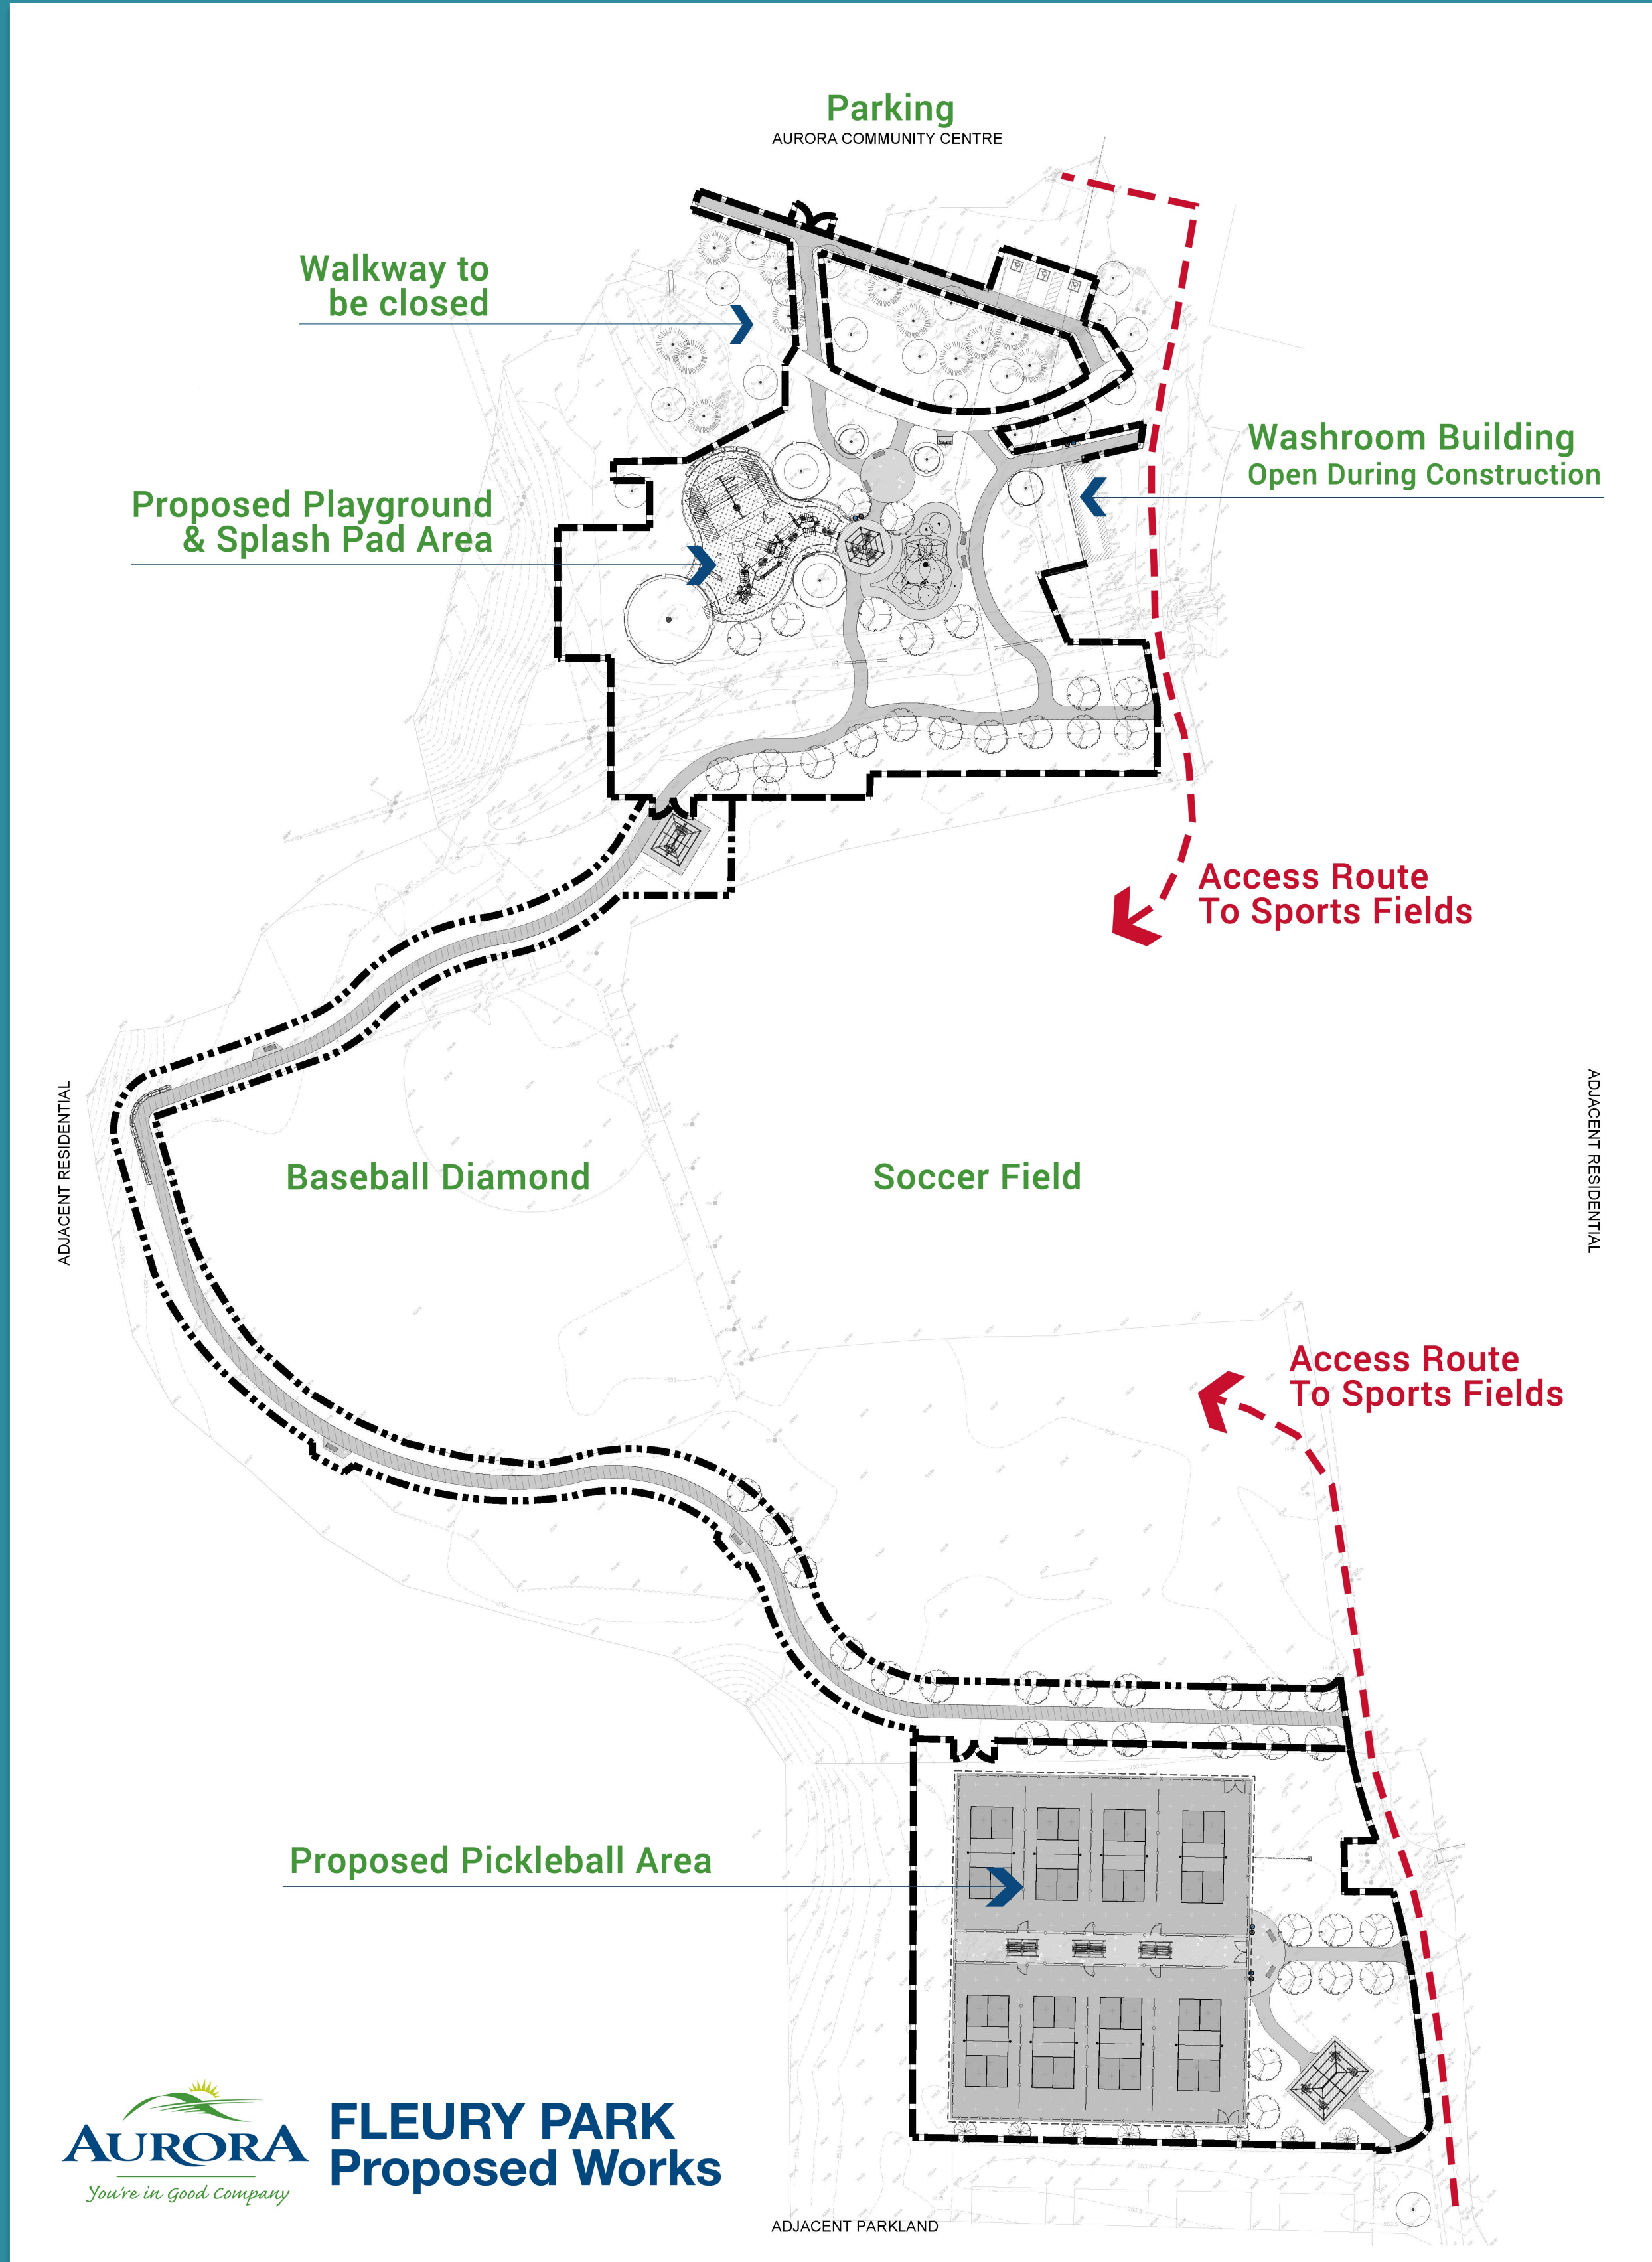

All construction zones will be fenced and will be off-limits to park users. The contractor, Arenes Construction, will be on site from approximately 7:30am to 5:00pm Monday to Friday to construct the works.

All park users are encouraged to use caution when parking and accessing the site as there may be construction vehicles within the parking lot and within the park.

For more information, please contact Gary Greidanus at 365-500-3133 or ggreidanus@aurora.ca.
