1. Please do not enter the field early or stay past your permit time.
2. You are required to end your activity five minutes before your permit end time and start to clear the field.
3. You are expected to move back any equipment used or relocated by you to its proper location by the end of your permit.
4. Movable soccer nets must be secured using the anchoring systems provided prior to the permit holder leaving the field. [As of 2024 in Ontario, this is the law.](#)

8. Please clean up and avoid leaving trash at the fields.

Courtesy for all users

9. Climbing on nets or hanging from the soccer net cross bars is prohibited.
10. Disrespect towards Parks staff or other users will not be tolerated.
11. Please do not lock people inside the fenced area even if you suspect they are an unauthorized user. It is better they leave later without climbing the fence.
12. All permits at St Maxamilian Kolbe Turf have access to the running track.
13. Missing or damaged locks can be reported to bookings@aurora.ca
14. Please keep your turf keys safe. The replacement fee for these is \$20.00 /key.
15. The field should not be used when there is lightning or snow/ice accumulation. Please report these conditions for a credit for the time. Rain only does not qualify.

Have a great season!
